GLORIA A. CASTORENA

UX/UI Designer & Front-End Developer

SUMMARY

I am a UX/UI Designer with experience creating inclusive, user-centered digital experiences that blend creativity with functionality. Drawing from a background in customer support, interpretation, and claims adjustment, I bring empathy, problem-solving, and communication skills to every project.

PROJECTS

ROADRUNNER COFFEE CO.- UX/UI REDESIGN

- Conducted user research and heuristic evaluations to identify usability issues and improvement opportunities.
- Created wireframes and high-fidelity prototypes in Figma, focusing on accessibility and intuitive user flows.
- Applied WCAG guidelines and usability testing feedback to refine design decisions.

GOLDEN RETRIEVERS ROAST- INTERACTIVE WEB PROJECT

- Designed and developed a single-page coffee brand website using HTML, CSS, JavaScript and jQuery.
- Implemented dynamic content loading with AJAX and JSON, including a product list..
- Built a custom image carousel and implemented jQuery UI widget to enhance interactivity.

EXPERINCE

INFINITY INSURANCE

Accident Claim Adjuster | May 2021 - Aug 2023

- Investigated and processed 50+ accident claims monthly, applying analytical thinking to ensure fair outcomes and policy compliance.
- Communicated empathetically with claimants during high-stress situations, building trust and improving customer satisfaction.
- Managed multiple cases simultaneously while meeting deadlines and contributing to overall team efficiency.

CYRACOM

Spanish Interpreter | January 2019 - April 2021

- Delivered real-time Spanish-English interpretation for healthcare, legal, and customer service environments.
- Ensured confidentiality and cultural sensitivity while facilitation accurate communication between providers and clients.
- Managed high call volumes with adaptability and professionalism, improving response efficiency.
